PATROL MEETING CHECKLIST

PLC 6:30 all Patrol leadership need to attend or have a patrol representative in your place

We will have summer camp paperwork and camp patches available for those who had not attended last Tuesday .

Bring your book if you would like a book check to document your work at summer camp

Currently Covid protocol has changed, please review Troop 48 new plan with Rev. J David. Our agreement with the church to stay within designated areas not used by day school continues. We are to wear a mask when in larger groups in smaller areas (Like the Jones Building.) We may now have adult leadership meetings with up to 25 in attendance in the Jones building (if we have more than 25 in that space masks must be worn) We do not have to wear a mask if vaccinated in patrol rooms, however if we have more than 25 in a small area we ask that none vaccinated people wear masks with new CDC guidance. We ask that you respect the numbers we have when we come together. We do not have to do covid screening however we ask that if you are not feeling well to not attend scouting activities.

Upcoming Eagles Tristan Fox, Bruno Zagolin , Paul Garrett, Jordan Reed Jonathan Smith Finn Honshell and Derek Depew are working on their Eagle projects. See T48.org for details.
